Dear Dan:

Enclosed for your review is a draft of proposed anti-terrorist legislation. The proposed legislation is a compilation of purportedly non-controversial provisions that have been drawn from various sources. The accompanying description analyzes each section of the proposed legislation separately, explains what problem it seeks to address, and notes any potential difficulties with the proposal. I look forward to discussing these drafts at the next meeting of the Working Group on Thursday, June 26, at 11:00 a.m. at the offices of Jenner & Block. Luncheon will be served.

Sincerely,

Thomas S. Martin
